If the representatives are unable to resolve the Dispute within such period, or any additional extension of time that is mutually agreed upon in writing, such Dispute shall be settled by binding arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules. Each Party shall bear its own costs and expenses relating to the procedures in this **Section G.1**, including any arbitration proceedings. A waiver applies only to the provision of this Agreement expressly waived and only during the period expressly referenced in the waiver. Failure or delay by either Party in exercising any right, power or privilege shall not be interpreted as a waiver of that right, power or privilege.
6. **Force Majeure.** If a Party is delayed or prevented from performing a nonpayment obligation due to a cause beyond its reasonable control, then the delay or nonperformance shall be excused until the cause is removed and the period for performance shall be reasonably extended after the cause is removed. This Agreement binds the Parties and each of their successors and permitted assigns.
